FIG. 8

FIG. 9 is a graph showing the relationship between C_1 and C_2 for a system with two shaded regions. The horizontal axis is C_1 (0 to 100) and the vertical axis is C_2 (0 to 100). The shaded regions are defined by $C_1 < 10$ and $70 < C_1 < 100$. The curves represent the boundaries of the regions, with labels 15 and 25 indicating specific points or values.
